

THEATRE SCIENCE ASSESSMENT FORM

(Audience)

Please fill out after show and leave the completed form on the bar.

1. Have you performed on stage?

Never | Rarely | Occasionally | A moderate amount | A great deal

2. The performers were reading their dialogue from the score and following lines marked on the floor. Did you find this distracting?

Never | Rarely | Sometimes | Often | Always

3. How did having a copy of the score affect your experience of the show?

4. Given what you saw tonight, would you be interested in participating in a future Theatre Science experiment?

No | Yes

5. Has this show changed your opinion about the nature of authority of information resources? If yes, how?

6. Do you think the show will make you look differently at what you see in the news and online?

7. Was John Cage an effective example?

8. How familiar were you with John Cage before tonight?

Not at all | Slightly | Somewhat | Moderately | Very
