

Formatting

This box has directions that EVERYONE follows.

TECH: *Technical instructions for Q and R look like this.*

PIANIST: *(Play a note. Anything in italics and brackets is an instruction just for you and should not be said.)*

PAUSE until the note is almost gone, then wait one more second.

SQUARE 1: (*thoughtfully*) When it is your turn to say something, the line will be bold, like this.

SQUARE 2: Authority is constructed ...

SQUARE 3: ... and contextual.

SQUARE 1: Once again, bold lines are the ones you say.
